SUBJECT: Vital Material Inventory - Vital Functions Update

#### 1. General

### a. Definition

(1) Vital materials and/or vital positions are those documents and functions that are essential to reconstitute the operations of OSA/DD/S&T in the event of a nuclear attack or disaster which precludes operations at Headquarters.

#### 2. Requirement

- a. An updated list of vital materials for OSA is to be compiled and submitted to the CIA Records Administration Office. See Attachment I Present Inventory.
- b. In addition to the vital materials list, a list of those Headquarters staff positions necessary to perform the vital functions to sustain operations is to be included.

## 3. Responsibility

- a. Functional Elements/OSA/DD/S&T
  - (1) Each functional element is asked to review its inventory of documents on file at the Vital Records Center to ascertain if it complies with lal. (Attachment I).
